Sunshine Week Public Forum

The public was invited to a discussion with the Board to recognize National Sunshine Week celebrating transparency in government. This is the first in a series of public meetings the Board hopes to conduct over the next few years, to foster broad discussions about the role and functioning of local government and to further openness in government.

Topics discussed included:

1. Possible uses for County owned properties
2. What government can do: the role of local government in business and community life?
3. Promoting a Regional Agricultural Office

No formal motions or decisions occurred during the public forum; their purposes being to provide a platform for open discussion about the selected issues.

The forum was held until 8:00 p.m.
