

AFFIDAVIT FARM STRUCTURE EXEMPTION

Certain Farm buildings and structures are exempt from the Virginia Uniform Statewide Building Code. In order to qualify for this exemption, the structure must be used for a specific purpose which is directly related to an operating farm.

VSBC Section 101.7-7 defines a farm building and structures as follows:

A building or structure not used for residential purposes, located on property where farming operations take place.

DATE: _____ OWNER NAME: _____

OWNERS ADDRESS: _____ PHONE: _____

PROPERTY LOCATION OR ADDRESS, (IF NOT SAME AS ABOVE): _____

TAX MAP NUMBER: _____ NUMBER OF ACRES: _____ BARC _____ DVP _____

DIMENSIONS OF PROPOSED STRUCTURE: _____ X _____ WOOD FRAME OR METAL (CIRCLE ONE)

TYPE OF FLOOR: _____ MISCELLANEOUS ROOMS: _____ ESTIMATED COST OF

STRUCTURE:\$ _____ ESTIMATED TIME OF COMPLETION: _____

In order to verify an understanding of the specific purpose for the proposed structure, please answer the following questions related to the activities conducted on the property.

1. Is the property currently being used for the storage, handling, production, display, sampling or sale of agricultural, horticultural, floricultural or silvicultural products produced on the farm?

(please circle one) **YES** **NO**

2. Is the property currently being used for the sheltering, raising handling processing or sale of agricultural animals or agricultural animal products?

(please circle one) **YES** **NO**

If you answered **NO** to the previous questions, the proposed structure **IS NOT** exempt from the USBC. If you answered **YES** to either of the previous questions, please continue.

3. **Is the proposed building or structure to be used for (please circle all that apply)**
- a.) **Business or office uses relating to the farm operation?**
 - b.) **Machinery, equipment, or vehicle maintenance or storage used on the farm?**
 - c.) **Storage, handling, production, displaying, sampling or sale of the products listed in item 1 above.**
 - d.) **Storage or use of supplies and materials used on the farm?**

If you circled any one of the uses listed in item three, please complete the affidavit below. However, the following buildings and structures are not exempt from the USBC:

1. **Farm buildings and structures lying within a flood plain. Such buildings and structures require a building permit, inspections and shall be subject to flood proofing regulations as applicable.**
2. **A building or a portion of a building, located on a farm, that is operated as a restaurant as defined by Section 35.1-1 of the code of Virginia and licensed as such by the Board of Health.**

By completing the following affidavit, you are stating that the property you own and the proposed structure meets the farm structure exemptions of the USBC. There will be no permit required or inspections performed by this office. Presentation of a false affidavit would constitute a violation of Section 101.7 of the USBC and Section 7 - 4 of the Rockbridge County Ordinances and subject to civil penalties not to exceed \$3000.00.

I, (print name) _____ have read and understand the above and swear that the structure proposed to constructed on my property qualifies as a farm structure.
