

Natural Bridge High School Gym Steering Committee
April 2, 2009 Meeting

Present: Shawn Galloway- Committee Co-Chairman, Boyd Walker, Toby Stalnaker,
Robbie Faulkner, and Rebecca Chittum
Guests Present: Hunt Riegel (County Supervisor) and Allen Young

Meeting was called to order by Shawn Galloway at 7:00 pm

Committee reviewed minutes from March 19, 2009 meeting. Minutes were approved with one correction.

Old Business:

1. Roof- Seaman- Approximately 85% of the leaks has been repaired. The committee noted 3 leaks in the main gym room. Seaman said there are some repairs that he'll need to discuss with the county. The Gym Committee has noted that major work and/or replacement of the roof will be necessary in approximately 3 years. The grants committee will attempt to obtain a grant for this purpose.
2. Water- Pipes have been repaired by Gary Shafer. The gym now has water.
3. Heat- Johnson Controls from Roanoke looked at the heating system and is submitting a bid to repair it. Johnson Controls will permit the Gym Committee to do some of the work ourselves which will lower the overall cost to the county. All of the bids for the repair are due tomorrow (April 3, 2009). County Supervisors will be reviewing the bids at their meeting on April 13, 2009.
4. The Rockbridge County Disability Services Board would like to continue attending the Gym Committee's meetings.

New Business:

1. Toby Stalnaker will have someone work on the bathrooms as soon as it's possible.
2. One scoreboard is working now.

Meeting was adjourned at 8:30 pm. Next meeting set for April 16, 2009.
