Guests Present: Allen Young

Meeting was called to order by Ricky Siler at 7:00 pm

Committee reviewed minutes from May 21, 2009 meeting. Minutes were approved.

Old Business:

1. Roof- Seaman-Continuing to repair/patch the roof
2. Restrooms- The parts necessary for the restroom repairs have been ordered. The restroom repairs should be finished by the end of June.
3. Shawn Galloway spoke with Claire Collins and gave her a list of emergency lights, exit lights and light bulbs needed for the gym. Ms. Collins will discuss these needs with Tom Drake.
4. Ricky Siler recently mowed the football field.
5. Claire Collins will tell The Steering Committee the 911 address of the building, once she finds out.
6. Shawn Galloway spoke with Claire Collins about the need for either a pay phone or land line phone at the building. The Steering Committee will be requesting a land line phone once the other repairs are finished. A pay phone would probably not be practical due to the location.
7. Claire Collins approved the youth program presented by Toby Stalnaker at the last meeting. She approved the youth permission slips as long as "Parks and Recreation" is deleted from the forms.
8. The Steering Committee discussed the mail box and we were informed we will have to get a post office box since there is not a mail route on that road.
9. Shawn Galloway spoke with Claire Collins about the locks and keys. Shawn was given permission to finish the process of re keying the rest of the locks in the building.
10. The first draft of the mission statement was discussed and a new draft will be presented at the next meeting.
11. A clean up day will be scheduled soon.
12. Rockbridge County Disability Board approved a \$2000 donation to the Natural Bridge Gymnasium & Community Center.

New Business:

1. Shawn Galloway will talk to Tom Drake about using the machine to clean the gym floors.
2. The Steering Committee will be discussing some confusion with Hunt Riegel. The Steering Committee has been told by several Rockbridge County Government Officials differing stories on which county department the Steering Committee/Gym is under. Hopefully this can be clarified and all parties understand.
3. Committees:
  1. Grant's Committee- The Grant's Committee is continuing to work on grants.
  2. Policy/Uses Committee- Will discuss at the next meeting
  3. Fund raising Committee- not present at this meeting to give a report.
  4. Maintenance Committee- working with the contractors on the repairs

Meeting adjourned by Ricky Siler at 8:30 pm. Next meeting scheduled for June 4, 2009.
