Old Business:

1. Office of the County Administrator is in charge of the keys to the building and they allow people (committee members and contractors or county staff working on the building) to sign-out the keys. They will give the Steering Committee a list of persons that have the keys as well as update us as needed or requested.
2. Roof- Seaman is working on the first round of repairs (estimated cost of \$2000)
3. Water- County is requesting bids to fix the pipes which burst during the freezing weather we had in January
4. Heat- County is requesting bids to fix the heating system.
5. Hunt Riegel will be asking the Board of Supervisors for approval for funding for start-up costs for the gym to fix the heating system, water, roof, etc along with items needed so the gym can be utilized by the public.
6. Trees- Several trees from the gym property were removed due to buckling concrete because of the trees root systems. The Steering Committee will need to decide on what to do with that area. Several suggestions were given. The Steering Committee decided to table the discussion for right now.
7. Keys/Doors- All of the exterior doors can now be locked and unlocked with one key with the exception of a couple of doors which still need to be fixed. In the future, the interior doors will also have the locks changed so one key can be used for those.
8. The list of tasks to be completed was presented to the committee. Due to lack of water and heat, the committee hasn't been able to get a lot of progress done on the gym however some items are being worked on, such as replacing light bulbs.

New Business:

1. The following sub-committees are being formed- Grants Committee, Fundraising/Revenue Committee, Policies/Uses/Scheduling Committee, and Tasks/Volunteers Committee. The Steering Committee will get updates from each committee as they begin meeting.
2. The Rockbridge Disability Services Board met with the Steering Committee, following a site tour led by Hunt Riegel. The gym is fairly accessible however a few suggestions were given for some improvements.
