INDEPENDENT AUDITORS' REPORT

**TO THE BOARD OF THE ROCKBRIDGE COUNTY SOLID WASTE AUTHORITY
(A COMPONENT UNIT OF THE COUNTY OF ROCKBRIDGE, VIRGINIA)
LEXINGTON, VIRGINIA**

We have audited the accompanying statement of net assets of the Rockbridge County Solid Waste Authority (a Component Unit of the County of Rockbridge, Virginia), as of June 30, 2010, and the related statements of revenues, expenses and changes in net assets and cash flows for the year then ended. These financial statements are the responsibility of the Authority's management. Our responsibility is to express an opinion on these financial statements based on our audit.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the *Specifications for Audits of Authorities, Boards, and Commissions* issued by the Auditor of Public Accounts of the Commonwealth of Virginia. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

As discussed in Note 1B, the basic financial statements of the Authority are intended to present the business-type activities of the Rockbridge County Solid Waste Authority that are attributable to the transactions of the Authority. They do not purport to, and do not, present fairly the financial position of the County of Rockbridge, Virginia as of June 30, 2010, and the changes in its net assets and its cash flows, for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Rockbridge County Solid Waste Authority (a Component Unit of the County of Rockbridge, Virginia), as of June 30, 2010, and the changes in financial position and cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated November 26, 2010 on our consideration of the County of Rockbridge, Virginia's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

The Rockbridge County Solid Waste Authority (a Component Unit of the County of Rockbridge, Virginia) has not presented Management's Discussion and Analysis that accounting principles generally accepted in the United States has determined is necessary to supplement, although not required to be part of, the basic financial statements.

The accompanying notes to financial statements are an integral part of this statement.

**ROCKBRIDGE COUNTY SOLID WASTE AUTHORITY
(A COMPONENT UNIT OF THE COUNTY OF ROCKBRIDGE, VIRGINIA)**

**Notes to Financial Statements
As of June 30, 2010**

NOTE 1—BASIS OF PRESENTATION:

- A. Organization and Purpose - The Rockbridge County Solid Waste Authority (a Component Unit of the County of Rockbridge, Virginia) was created by the Board of Supervisors for the purpose of developing an operating regional garbage and refuse disposal. The Authority is responsible for the operation and maintenance of the landfill. The Cities of Buena Vista and Lexington participate in this regional landfill pursuant to a garbage disposal contract agreement dated November 13, 1995.
- B. Reporting Entity - The Rockbridge County Solid Waste Authority is reported as a blended Component Unit of the County of Rockbridge. The Authority is governed by a board comprised of the government's elected supervisors. The rates for user charges and the authorizations to incur indebtedness are approved by the Board of Supervisors of Rockbridge County. The Authority is reported as an enterprise activity.

Basic Financial Statements

Since the Authority is only engaged in business-type activities, it is required to present only the financial statements required for enterprise funds. For the Authority, the basic financial statements and required supplementary information consist of:

- Management's discussion and analysis (management has elected not to prepare the MD&A in the current year)
- Enterprise fund financial statements
 - Statement of Net Assets
 - Statement of Revenues, Expenses and Changes in Net Assets
 - Statement of Cash Flows
 - Notes to Financial Statements

Business-type Activities account for activities similar to those found in the private sector. The measurement focus is upon determination of net income. Business-type Activities consist of Enterprise Funds.

Enterprise Funds account for operations that are financed and operated in a manner similar to private business enterprises. The intent of the County is that the cost of providing services to the general public be financed or recovered through user charges. Enterprise Funds consist of the Landfill Fund and the Recycling Fund.

NOTE 2—SIGNIFICANT ACCOUNTING POLICIES:

- A. Basis of Accounting - The Rockbridge County Solid Waste Authority (a Component Unit of the County of Rockbridge, Virginia) operates as an enterprise activity and its accounts are maintained on the accrual basis of accounting. Under this method, revenues are recognized when earned, and expenses are recorded as liabilities when incurred, without regard to receipt or payment of cash. The Authority accrues revenue for services rendered but not yet billed at the end of the fiscal year.

ROCKBRIDGE COUNTY SOLID WASTE AUTHORITY
(A COMPONENT UNIT OF THE COUNTY OF ROCKBRIDGE, VIRGINIA)

Notes to Financial Statements (Continued)
As of June 30, 2010

NOTE 2—SIGNIFICANT ACCOUNTING POLICIES: (CONTINUED)

A. Basis of Accounting (continued)

The Authority follows all applicable GASB pronouncements and FASB pronouncements issued before November 30, 1989 unless these pronouncements conflict with or contradict GASB pronouncements. The Authority distinguishes *operating* revenues and expenses from *nonoperating* items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with the Authority's principal ongoing operations. The principal operating revenues of the Authority are charges to customers for sales and services. Operating expenses include the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

B. Accounts Receivable - Accounts receivable are stated at book value utilizing the direct write-off method for uncollectible accounts. Uncollected balances have not been significant and no allowances for uncollectible accounts are recorded.

C. Capital Assets - Capital assets, which include property, plant, equipment, and infrastructure assets (e.g., roads, bridges, sidewalks, and similar items), are reported in the financial statements. Capital assets are defined by the Authority as assets with an initial, individual cost of more than \$5,000 (amount not rounded) and an estimated useful life in excess of one year. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at estimated fair market value at the date of donation.

Landfill equipment	3 to 20 years
Wells	20 to 30 years
Buildings	30 years

Maintenance and repairs are charged to expense as incurred; material renewals and betterments are capitalized. When assets are sold or retired, the related cost and accumulated depreciation are removed from the accounts and any gain or loss is included in income.

Depreciation is calculated using the straight line method. Depreciation for the year ended June 30, 2010 was \$102,190.

D. Cash and Cash Equivalents - The Authority's cash and cash equivalents consist of demand deposits and amounts held in the Local Government Investment Pool (LGIP).

E. Interest on Indebtedness - Interest expense applicable to that portion of indebtedness, the proceeds of which are used to construct new facilities, is capitalized during the period of construction as part of the cost of such facilities. No interest was capitalized for the year ended June 30, 2010. Other interest costs of the Authority are treated as nonoperating expenses.

F. Budgets and Budgetary Accounting - A budget is prepared for information, fiscal planning purposes, and to provide the basis for setting wholesale rates. None of the participating entities are required to approve the budget. The budget is adopted as a planning document and is not a legal control on expenses.

The budgets are adopted on an appropriation basis. Principally, the appropriation basis of budgeting provides for a full accrual basis of accounting, capital expenditures, and bond principal payments but does not provide for depreciation of utility plant and amortization.

ROCKBRIDGE COUNTY SOLID WASTE AUTHORITY
 (A COMPONENT UNIT OF THE COUNTY OF ROCKBRIDGE, VIRGINIA)

Notes to Financial Statements (Continued)
 As of June 30, 2010

NOTE 2—SIGNIFICANT ACCOUNTING POLICIES: (CONTINUED)

- G. Inventory - Consumption of materials and supplies is recorded as an expense when used. No inventory amount is recorded as an asset, as available inventories are not significant.
- H. Use of Estimates - The preparation of financial statements in conformity with U.S. generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.
- I. Investments - Investments, consisting of the Local Government Investment Pool, are stated at fair value.
- J. Net Assets - Net assets are the difference between assets and liabilities. Net assets invested in capital assets represent capital assets, less accumulated depreciation, less any outstanding debt related to the acquisition, construction or improvement of those assets.

NOTE 3—DEPOSITS AND INVESTMENTS:

Deposits

All cash of the Authority is maintained in accounts collateralized in accordance with the Virginia Security for Public Deposits Act, Section 2.2-4400 et. seq. of the Code of Virginia (a multiple financial institution collateral pool) or covered by federal depository insurance.

Investments

Statutes authorize the Authority to invest in obligations of the United States or agencies thereof, obligations of the Commonwealth of Virginia or political subdivisions thereof, obligations of the International Bank for Reconstruction and Development (World Bank) and Asian Development Bank, the African Development Bank "prime quality" commercial paper and certain corporate notes, banker's acceptances, repurchase agreements and the State Treasurer's Local Government Investment Pool (LGIP).

Credit Risk of Debt Securities

The Authority investment policy for credit risk is consistent with the investments allowed by statutes as detailed above.

The Authority's rated debt investments as of June 30, 2010 were rated by Standard & Poor's and the ratings are presented below using the Standard & Poor's rating scale.

Authority's Rated Debt Investment's Values

	Fair Quality Ratings				
	AAA	AA	A	A1	Unrated
Local Government Investment Pool	\$ 2,314,295	\$ -	\$ -	\$ -	\$ -
Total	\$ 2,314,295	\$ -	\$ -	\$ -	\$ -

**ROCKBRIDGE COUNTY SOLID WASTE AUTHORITY
(A COMPONENT UNIT OF THE COUNTY OF ROCKBRIDGE, VIRGINIA)**

**Notes to Financial Statements (Continued)
As of June 30, 2010**

NOTE 3—DEPOSITS AND INVESTMENTS: (CONTINUED)

The fair value of the positions in the external investment pool (Local Government Investment Pool) is the same as the value of the pool shares. As this pool is not SEC registered, regulatory oversight of the pool rests with the Virginia State Treasury.

NOTE 4—CAPITAL ASSETS:

Details of changes in capital assets for the year ended June 30, 2010 are as follows:

	Balance July 1, 2009	Additions	Deletions	Balance June 30, 2010

Net OPEB obligation	2,000	-
Accrued leave obligation	22,735	-
Total obligations	<u>\$ 1,843,048</u>	<u>\$ -</u>

NOTE 6—ADVANCES FROM PARTICIPATING ENTITIES:

The Solid Waste Authority has advances from participating localities as follows:

	Balance July 1, 2009	Increase (Decrease)	Balance June 30, 2010
City of Lexington	\$ 5,303	\$ -	\$ 5,303
City of Buena Vista	5,510	-	5,510
County of Rockbridge	63,479	-	63,479
Total	<u>\$ 74,292</u>	<u>\$ -</u>	<u>\$ 74,292</u>

NOTE 7—INTERFUND TRANSFERS

Transfers are received from the County of Rockbridge, Virginia and are used to finance various programs accounted for in other funds in accordance with budgeting authorization of the County. Transfers received from the County of Rockbridge for the year ended June 30, 2010 amounted to \$948,313.

**ROCKBRIDGE COUNTY SOLID WASTE AUTHORITY
(A COMPONENT UNIT OF THE COUNTY OF ROCKBRIDGE, VIRGINIA)**

**Notes to Financial Statements (Continued)
As of June 30, 2010**

NOTE 8—DEFINED BENEFIT PENSION PLAN:

A. Plan Description:

The Rockbridge County Solid Waste Authority (a Component Unit of the County of Rockbridge, Virginia) contributes to the Virginia Retirement System (VRS) [County of Rockbridge (The "County Plan")], an agent multiple-employer public retirement system administered by the Virginia Retirement System (VRS) that acts as a common investment and administrative agent for political subdivisions of the Commonwealth of Virginia. All contributions, earnings, funding status and progress for the Authority's participation in the plan are included in the reporting of the County of Rockbridge, Virginia.

NOTE 9—OTHER POST-EMPLOYMENT BENEFITS:

Beginning in fiscal year 2009, the Authority implemented Governmental Accounting Standards Board (GASB) Statement No. 45 for other post-employment benefits (OPEB) offered to retirees. This standard addresses how local governments should account for and report their costs related to post-employment health care and other non-pension benefits, such as the Authority's retiree health benefit subsidy. Historically, the Authority's subsidy was funded on a pay-as-you-go basis, but GASB Statement No. 45 requires that the Authority accrue the cost of the retiree health subsidy and other post-employment benefits during the period of the employees' active employment, while the benefits are being earned, and disclose the unfunded actuarial accrued liability in order to accurately account for the total future cost of post-employment benefits and the financial impact on the Authority. This funding methodology mirrors the funding approach used for pension benefits. The Authority is included in the County of Rockbridge's reporting of contributions, funding status and progress for its' OPEB Plan. The Authority has recorded an OPEB liability of \$2,000 at June 30, 2010.

NOTE 10—CLAIMS, JUDGMENTS AND COMPENSATED ABSENCES:

The Authority has accrued liabilities arising from outstanding claims and judgments and compensated absences. No benefits or pay is received for unused sick leave upon termination. The Authority has outstanding accrued vacation pay totaling \$22,735.

NOTE 11—LANDFILL CLOSURE AND POSTCLOSURE CARE COSTS:

The Rockbridge County Solid Waste Authority (a Component Unit of the County of Rockbridge, Virginia) owns the only permitted landfill site within the County of Rockbridge. The Cities of Lexington and Buena Vista also use the landfill site. Landfill costs are prorated to each jurisdiction based on tonnage of solid waste accepted each month. The Rockbridge County Solid Waste Authority (a Component Unit of the County of Rockbridge, Virginia) is responsible for the management and operation of the landfill. Rockbridge County's share of tonnage has historically been approximately 60%, the City of Lexington's share has been approximately 15%, and Buena Vista approximately 25%.

State and federal laws and regulations require the Rockbridge County Solid Waste Authority (a Component Unit of the County of Rockbridge, Virginia) to place a final cover on the landfill site when it is filled to capacity or stops accepting waste and to perform certain maintenance and monitoring functions at the site for thirty years after closure. Although closure and post-closure care costs will be paid only near or after the date that the landfill stops accepting waste, the Rockbridge County Solid Waste Authority (a Component Unit of the County of Rockbridge, Virginia) reports a portion of these closure and post-closure care costs as an operating expense in each period based on landfill capacity at each balance sheet date.

**ROCKBRIDGE COUNTY SOLID WASTE AUTHORITY
(A COMPONENT UNIT OF THE COUNTY OF ROCKBRIDGE, VIRGINIA)**

**Notes to Financial Statements (Continued)
As of June 30, 2010**

NOTE 11—LANDFILL CLOSURE AND POSTCLOSURE CARE COSTS: (CONTINUED)

The landfill began operation during 1972 and currently has an estimated capacity to last until the year 2012. The \$1,818,313 reported as accrued closure and post-closure liability at June 30, 2010 represents the cumulative amount reported based on the estimated number of years remaining (four). The Authority expects to close the landfill in the year 2012. The estimated total current cost of the landfill closure and post-closure care of \$1,818,313 is based on the amount that would be paid if all equipment, facilities and services required to close, monitor and maintain the landfill were acquired as of June 30, 2010. Actual cost may be higher due to inflation, changes in technology, or changes in regulations. The Rockbridge County Solid Waste Authority (a Component Unit of the County of Rockbridge, Virginia) intends to fund these costs from tipping revenues and from any funds derived and accumulated for this purpose in the upcoming years.

The Authority demonstrated financial assurance requirements for closure, post-closure care, and corrective action costs through the submission of a Local Government Financial Assurance Test to the Virginia Department of Environmental Quality in accordance with Section 9VA C20-70 of the Virginia Administrative Code.

COMPLIANCE

**REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND
OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

**TO THE HONORABLE MEMBERS OF THE BOARD OF DIRECTORS
ROCKBRIDGE COUNTY SOLID WASTE AUTHORITY
(A COMPONENT UNIT OF THE COUNTY OF ROCKBRIDGE, VIRGINIA)
LEXINGTON, VIRGINIA**

We have audited the financial statements of the Rockbridge County Solid Waste Authority (a Component Unit of the County of Rockbridge, Virginia), as of and for the year ended June 30, 2010, and have issued our report thereon dated November 26, 2010. We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the *Specifications for Audits of Authorities, Boards, and Commissions*, issued by the Auditor of Public Accounts of the Commonwealth of Virginia.

Internal Control Over Financial Reporting:

In planning and performing our audit, we considered the Rockbridge County Solid Waste Authority's (a Component Unit of the County of Rockbridge, Virginia) internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Rockbridge County Solid Waste Authority's (a Component Unit of the County of Rockbridge, Virginia) internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Rockbridge County Solid Waste Authority's (a Component Unit of the County of Rockbridge, Virginia) internal control over financial reporting.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the financial statements of Rockbridge County Solid Waste Authority (a Component Unit of the County of Rockbridge, Virginia) will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters:

As part of obtaining reasonable assurance about whether the Rockbridge County Solid Waste Authority's (a Component Unit of the County of Rockbridge, Virginia) financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

We noted certain matters that we reported to management of the Rockbridge County Solid Waste Authority in a separate letter dated November 26, 2010.

This report is intended solely for the information and use of the Board Members and management and it is not intended to be and should not be used by anyone other than these specified parties.
