The Rockbridge County Electoral Board met on the above date at 10:00 am the Rockbridge County Board Meeting Room. Present at the meeting were Harry Stone, Richard Hasey, Whitney Huffman, General Registrar Sheila Hall,

The Board discussed how potential redistricting plans would affect precincts.

Sheila reported that she had been approached by a member of the Board of Supervisors (BOS) who was concerned with the lag time in getting payroll out to officers of election after an election. She reported to the Board that she had submitted payroll amounts to Rockbridge County the week after the election, but they must be approved by the BOS for a second time – first time is when they approve the overall budget. This creates a longer time to get the checks issued. In this case, checks were not issued until before Christmas – over a month from the November 2, 2021 election date. The Board decided it would present potential payroll numbers to the BOS at the meeting prior to an election to get the second approval beforehand, so that there would not be this lag time in getting payroll issued after an election.

Along the same line, Sheila reported that there are other general registrars who issue their own checks rather than go through their respective counties. She is going to check with those offices and see how they can do this.

As required by Virginia statute, the Board reorganized for 2022. Harry Stone will serve as chairman, Richard Hasey as vice chairman, and Whitney Huffman as secretary.

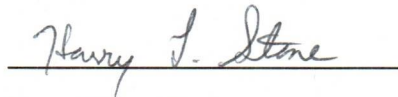

Sheila and Richard will attend the next BOS meeting on January 10, 2022 where there might be potential questions regarding redistricting.

The Board discussed budget proposals for the upcoming FY22-23. Sheila reported that it would not be much different than the FY21-22 except for postage due to mass mailings for redistricting.

The Board discussed space concerns for the office again. Sheila is going to check with the county regarding getting someone to come in and assess the current office space and any potential reorganization of the existing space.

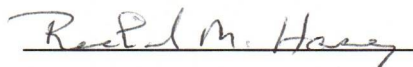

Next meeting Weds., January 12, 2022 at 10:00 am to finalize the FY22-23 budget before it is submitted. The Board will hold its regular monthly meeting on Wednesday, February 2, 2022 at 10:00 am.

Meeting adjourned at 12:00 pm.
