

April 11, 2022

The Rockbridge County Electoral Board met on the above date at 10:00 am the Rockbridge County Electoral Board Meeting Room. Present at the meeting were Harry Stone, Richard Hasey, Whitney Huffman, and General Registrar Sheila Hall.

The Board discussed plans for the Republican Primary to be held on June 21, 2022 for the U.S. 6th District Congressional candidate.

Sheila informed the Board of an issue with a gentleman who came by the office to discuss why his deceased "wife" had received an absentee ballot registration form. She informed him that it comes from a third party not from Rockbridge County. Upon further investigation it appears the deceased lady was not his wife and died in 2016. Someone had signed her prior absentee registration form in 2021. The absentee ballot was sent and returned as undeliverable in 2021. Therefore, no vote was cast, but someone signed her name well after her death in 2016. Sheila has gotten in contact with the Commonwealth Attorney's office and they will handle any investigation into the matter.

L&A Testing for the June primary will be held on April 28, 2022 at 10:00 am in the Rockbridge County Board of Supervisors' Meeting Room. May 6, 2022 early voting for the June primary starts. Absentee ballots will be ready to go out on May 5, 2022.

The next meeting will be Wednesday, May 11, 2022 at 10:00 am.

Meeting adjourned at 11:00 am.
