NOTICE OF COMMUNITY MEETING RT. 60 CORRIDOR STUDY

Rockbridge County and the City of Lexington will host a community meeting on Monday, August 15, 2016, at 6:30 p.m. at Lylburn Downing Middle School located at 302 Diamond Street, Lexington, Virginia, where staff from the Virginia Department of Transportation's (VDOT) Staunton District Planning will be presenting the findings and recommendations of the final Route 60 Corridor Study between the intersection of Spotswood Drive and East Nelson Street in the City of Lexington and the intersection of Quarry Lane and East Midland Trail in Rockbridge County, for consideration of adoption by the County Board of Supervisors and City Council.

The study recommendations address long-term transportation issues associated with the Route 60 Corridor. The study considered multiple factors such as community input, traffic operation, future economic projections and existing corridor context.

For additional information please feel free to contact either the County's Office of Community Development at 540-464-9662 or the City's Office of Planning and Zoning at 540-462-3730.
