

**50 WAYS**  
**ROCKBRIDGE**  
RESEARCH, EDUCATE, ACT

## **Please Give to our Hospitals and the local community**

From Carilion Clinic.

**Donations still accepted at W&L Pavilion until 4pm tomorrow (Saturday, March 28):**

To strengthen our response to the COVID-19 outbreak, we're asking community organizations, corporations, and individuals to donate PPE and other surplus medical supplies to help protect our staff and patients. While we are conserving key supplies, donations from the community can help us extend our ability to care for patients. Many generous individuals, private companies, and others are already offering their support and we are grateful!

We are currently evaluating if and how we might be able to use handmade items. More information will be provided soon.

We will consider donations of the following unused supplies and provide them to the areas of greatest need as it relates to the COVID-19 response:

- Latex-free gloves
- Procedural masks
- Surgical masks
- Surgical masks with shield
- Nasal swabs for medical use
- N95 respirators and N95 filters
- Other respirators (P100's, PAPR's, and PAPR supplies / parts)
- Face shields

- Splash shields
- Gowns
- Hand sanitizer, greater than 60% alcohol
- Hand soap
- Shoe covers, disposable
- Disinfecting wipes

We will accept donation of these items in the parking lots at the following locations (hours are pending):

9 a.m. - 4:30 p.m., Wednesday, March 25 - Saturday, March 28

Lexington

Washington and Lee University Pavilion

159 West Denny Circle

Lexington VA

If you have questions about donations or wish to volunteer at a donation site, email [PPE\\_Donations@carilionclinic.org](mailto:PPE_Donations@carilionclinic.org). Check Inside Carilion frequently and our social media channels to stay informed about additional information about the donation centers.
