Helping Hand in Times of Emergency

Bring us your glass!

We accept clean food and beverage glass containers. **Just rinse and remove the top.** Labels should be removed if possible. Please make sure your glass is **clean and dry.** We **cannot** accept broken glass due to safety concerns.

Making a difference, one piece of glass at a time!

The Really Really Free Market booth will allow folks to “plop and shop” – leaving items they no longer want or need for others to shop., shopping others’ donated items, or like most of us, BOTH. Think free stuff yard sale, by us and for us!

Master Gardeners will be collecting plastic plant pots with no logos or names on the pots that are 6” across up to 10” across.
